

Headteacher: Mrs Lindsay Robertson BA (Hons) NPQH

7th July 2021

Dear Parents and carers,

I am so sorry to be writing this letter and it is with a heavy heart that I do as it wasn't how I wanted our time in Willow Fields to end; but due to the heavy rains this week we have suffered significant water damage to the structure of part of our building and have potentially sustained further damage to the roof due to vandalism.

Therefore, to ensure the health and safety of our children, we need to close our school building to children from Friday 9th July. Our trip to Derwent Hill will still go ahead and is unaffected.

Staff will remain on site to pack for the new school and to make sure that once the free school meals vouchers for the holiday period arrive we can distribute them to you.

Like I have said, I am so sad and sorry that our time in Willow Fields has to come to an end in this way but I am sure that you will understand that the safety of the children comes first.

I will be in touch next week with further information in relation to us starting in our new building in September.

As always, thank you so much for your support,

Mrs Robertson
