

Headteacher: Mrs Lindsay Robertson BA (Hons) NPQH

20th February 2024

Dear Parents / Carers,

Our school, like many in the area and across the country, is experiencing difficulty in relation to recruiting and retaining staff. This can be for many reasons and sadly they are out of school's control. We try our best to attract the very best staff that we can for your children so that they get the best educational experiences possible and enjoy their time at school learning.

I am therefore writing to you to let you know that there is going to be a change to your child's class teacher from when we return after the half term break. However, I am delighted that Miss Slater, who currently works supporting in Year 1-2 will be taking over the teaching post.

I know that so many changes are not ideal for the children, however, we have made sure that the children will be getting a teacher whom they know, like and trust and who knows them and their needs. My current plan is that Miss Slater will follow the children into Year 2 next year where she will work with Miss Mullen to minimise any further disruption to their learning.

Miss Slater is very excited to get started as their teacher and I know that they will enjoy working with her for the remainder of the year and into the next.

Yours sincerely,

Mrs Robertson (Headteacher)
