

Headteacher: Mrs Lindsay Robertson BA (Hons) NPQH

Dear parents and carers,

Our termly Relationships and Sex Education (RSE) lesson is taking place week commencing 8th July 2024. Based on feedback from parental voice last year, there will be a letter each term, the week before the children complete their lesson, so you are aware of what is being taught just in case there are any follow up questions that the children may have when they come home.

This is for children from Reception up to Year 6, focussing on a range of different topics which is taught at an age-appropriate level and in an age-appropriate manner.

These are the topics being taught to each year group in the upcoming lesson:

Reception – Families

Year 1 – Families and care

Year 2 – Naming body parts

Year 3 – Help and support

Year 4 – Healthy relationships

Year 5 – Puberty help and support

Year 6 – Families, conception and pregnancy

Once all classes have completed their RSE lesson, I will post a PicCollage on Facebook so you can see what the children have completed during this session.

If you would like any further information about the RSE curriculum you can visit our website <https://www.willowwoodprimary.org.uk/curriculum-2/rse/> or you can arrange a meeting or phone call with me to discuss your queries.

Yours sincerely,

Mr Dawson
