

Headteacher: Mrs Lindsay Robertson BA (Hons) NPQH

3rd November 2024

Dear Parents / Carers,

I hope that you have all enjoyed a lovely half term break.

I was contacted before the half-term break about an exciting music opportunity that has been identified for your child. The leaders of the Sunderland Music Hub asked for the names of children in school who were showing great promise in their work and who would embrace the opportunity to attend additional music tuition. This opportunity is going to be offered to very few children across the city and your child is incredibly lucky to be one of those who were identified.

From what I understand, the children will be spoken to about the project on Thursday 7th November in the afternoon by a lady running the project called Emma Mapplebeck. She will ask about the children’s instrument choices etc and will co-ordinate what they would like to learn to play. From there, the children will have lessons organised for them and they will receive a bursary for costs such as music books etc should permission be granted for them to take part.

Emma Mapplebeck will then make an appointment to speak to you about the project and what it entails so that you can ask any questions and make the final decision re your child having a place on the project.

Your appointment has been made for 3.30pm on Friday 15th November 2024 and will last approximately 30 minutes. Please come to the school office and Emma will meet you there.

Yours sincerely,

Mrs Robertson
